

CALLING ALL STUDENT ROBOT COMBATANTS...

IT'S TIME TO GET THOSE LEAN, MEAN, FIGHTING MACHINES READY TO...

What: A 15 lb NRL Combat Robot Competition

Hosted by Assabet Valley Technical High School
Precision Machining & Automated Mfg. Department

When: Saturday, March 13, 2010

Teams: 8AM til 6PM.

Spectators: 9am til 6pm

Registration Deadline is March 5, 2010

Where: Main Cafeteria Assabet Valley Technical High School

215 Fitchburg Street Marlborough, MA

Who: Any middle school, high school or college engineering team willing to field a competitive 15lb combat robot and compete under the National Robotics League tournament rules and regulations.

http://www.gonrl.org/rules_and_regulations.php

Our combat event **ROCKS! Plain and simple**. From the starting buzzer to the last robot standing, the excitement doesn't stop. Teams from Florida to Massachusetts join us! - to compete, learn, and Demolish! And the upcoming Rally will be no exception. This event will help you to fine tune your 'bot' in prep for a national competition to be held in June 2010 at Skills USA.

If your school program, or qualified youth organization, is willing and able to field a 15lb combat robot, or if you want to learn how your school can be part of the excitement, then c'mon down to

Rally in the Valley.

The registration fee is \$100 for the first robot (\$50 for the 2nd) if paid before 3/5/10. Remember, we need to know who will be there ASAP....so.....registration costs jump to \$250 per robot after that date.

Space is limited to the first 25 registered robots (limit 2 robots per school). So register today by completing the registration form and sending your check, payable to Assabet Valley Precision Machining - NRL , TODAY! Questions?? Contact Bryant Laflamme 508 485 9430 x1437 (blaflamme@assabet.org).

Special Thanks To These Sponsors That Help Make THE "RALLY" Possible.

“RALLY IN THE VALLEY!!!”
